The quarters attached to the Central Press were, till lately, occupied by Mr. Reid and were perhaps considered suitable but Mr. Puttaya considers the building not suited to his requirements and therefore claims a house rent allowance of Rs 50/- per mensem.

2 Mr. Sreenivasa Iyengar's claim for an allowance of Rs: 50/- is based on the unsuitability of the quarters for permanent habitation and on the fact that his predecessor - Mr Venkatasubba Rao - was granted such an allowance.

3 The question of permitting Mr. Venkata Subba Rao to occupy the Central Press Quarters depends upon whether or not Mr. Puttaya occupies the official quarters.

4 Submitted for orders with reference.

6. The Asst. Supts have not been given any increased responsibilities and they were allowed to occupy residences near the Press, free of rent, as Govt. expected that they would thereby be able to devote more time & attention to their work in the Press. By their living away from

the Press, the public interests do not gain anything from the Status quo ante & they have no claim for house rent in consequence

The Quarters attached to the Central Press may be allowed to be occupied by Mr Venkatasubbaiah, as the presence of an office on the spot is reported to be desirable

8 The intention was only to allow such Europeans to occupy the four quarters. No obligation to provide them with the quarters, as they have hitherto remained. The request for house rent may therefore be rejected. Mr Venkatasubba Rao permitted to occupy the Army Indians quarters at Bangalore

SIR,

I have the honor to forward herewith the two applications submitted by Messrs. B. Srinivasiengar and B. Puttiya, the Assistant Superintendents stating that the accommodation in the quarters attached to the Branch Press and the Central Press respectively is too insufficient to enable them to -- live therein with their families and that they may be granted an allowance of Rs: 50/- as house rent, for favourable consideration.

Sir,

F With reference to G.O. No. G 20509-10/P & S 77-20-2, dated Bangalore, the 30th April 1921, transferring me to Mysore, I have the honour to state that I have already reported my having come here and joined duty.

In the Government Order referred to above, Government have graciously been pleased to permit me to occupy the quarters attached to the Branch Press free of rent. Soon as I came here, I inspected the quarters and find that these are not built to suit permanent habitation. The idea of Government having built these quarters was that they should serve as temporary halting places for the Officers who come to Mysore for duty in connection with the printing work of the Dasara and Birthday festivities, when they are expected to remain in these quarters for two or three weeks at the most.

The level of the building is very low - lower than the road level and as such is uninhabitable from a sanitary point of view. There are not more than 3 small rooms in the main building, including the two halls of the two buildings which have been coupled by a sort of a passage which may be called a room. I find that this accommodation is absolutely insufficient for my purpose.

I presume that these considerations weighed with the Government

when a house rent of Rs. 50/-/- was sanctioned for my predecessor, Mr. B. Venkatasubba Rao as Chief Foreman.

I now request you to kindly place these matters before Government and urge them on my behalf to give me at least the house rent that my predecessor was being given.

I have the honour to be,

Sir,

Your most obedient servant,

Assistant Superintendent,

Government Branch Press.

To

D. B. Ramachandra Mudaliar, Esq., M.R.A.S.,

Superintendent, Government Printing, Bangalore.

Sir,

With reference to G.O.No.G.20509-10/P&S.77-20-2 dated the 30th April 1921 permitting me to occupy the quarters attached to the Press, I beg to state that the accomodation in the building is not at all sufficient for my purposes.

The entire building is only 42' x 25' in dimension and consists of only three living rooms each 18' x 12', which are quite insufficient for me and my family consisting of 13 souls.

The place is also much exposed to sun and rain and does not offer the privacy suited to a Hindu family.

I beg therefore that you will kindly move Government to grant me the allowance that you were kind enough to recommend before.

I beg to remain,

Sir,

Your most obedient servant,

B Ramachandra

SIR,

In continuation of this office letter No. 3700 dated 18th May 1921 forwarding the applications of the Assistant Superintendents praying for the grant of an allowance in view of occupation of Government Quarters, I have the honor to state that as required in Government Order No. G.20509-10/P.&.S.77-20-2, dated the 30th April 1921, that some one should occupy the Government Quarters at Bangalore I find it necessary that in the present condition of affairs in the Press some one should live in the precints of the Press, I beg to propose therefore that Mr. B.Venkatasubba Rao, the Chief Foreman who reverts to the Central Press for duty from Mysore may be permitted to occupy the quarters -- attached to the Central Press.
